MICROFLEX COMFORT CONTEST WINNERS

Microflex Announces the First Two Winners From
www.ShowUsYourGloves.com

July 27, 2009 – Microflex® Corporation (Lake Forest, IL), a division of BarrierSafe Solutions International (BSSI), a leading provider of latex and synthetic hand protection, has announced the winners of the Microflex Comfort Contest on its website www.ShowUsYourGloves.com.

A unique feature of www.ShowUsYourGloves.com, the Microflex® Comfort Campaign asks glove users to send in photos of themselves wearing Microflex® gloves for a chance to win \$1,000.00. The company is giving away this prize every three months to the most original idea in a photo best showcasing the relaxing comfort of Microflex® gloves in a unique, interesting situation. Of course, Microflex strongly promotes proper glove usage, including the changing of gloves after each use. The contest, however, is in a spirit of fun and originality. Please see the website for complete contest rules.

Microflex is pleased to announce the 1st Quarter winner of the Microflex® Comfort Contest was Mr. Trent Cullen for his pose on a motorbike while wearing Tranquility™ nitrile gloves.

The 2nd Quarter winner was Dr. Jeffrey Busch, who took the contest to new heights by jumping out of an airplane while wearing NeoPro® gloves from Microflex!

CERTIFIED
ISO 13485

Microflex congratulates both winners, and encourages glove users everywhere to submit their pictures to www.ShowUsYourGloves.com.

ShowUsYourGloves.com features Microflex® gloves suited for the Dental and Medical markets, like ComfortGrip® latex gloves and Tranquility™ nitrile gloves, and coming soon, new Color Touch® Pink latex gloves: high quality latex gloves that go on easily, wear comfortably, and are colored pink to support breast cancer research.
